- Color Palettes: Consistent use of color schemes—warm tones for sunset shots, cool blues for urban nightscapes—creating cohesive visual narratives.

- Typography: Modern, clean fonts that complemented the photographic style, enhancing readability without detracting from the imagery.

Innovations in Calendar Layouts

Some calendars experimented with unconventional layouts, such as:

- Double-page spreads for panoramic or aerial images, immersing viewers in expansive views.

- Overlay grids that subtly integrated dates with the photograph's composition.
- Interactive elements like QR codes linking to virtual tours or additional project information.
